

I need to accurately estimate expenses to plan our budget

I wish I had a clearer picture of where our money is going

Will this estimation be reliable for decision-making?

I hope I'm not missing any important expenses

I find it challenging to predict future expenses

SAYS

THINKS

Estimating expenses can be time-consuming

ESTIMATION OF BUSINESS EXPENSES

Using financial software or spreadsheets is essential

DOES

FEEL

Anxious about potential financial surprises.

Seek advice from an accountant or financial advisor.

Always remember to Collect receipts and invoices.

Feels Frustration due to the complexity of expense estimation

Eager to have a more straightforward process.
